Class Motto: Be kinder than is necessary.

I am so excited to begin my 35th year as an educator! Since graduating from Tarleton State University with a Bachelor of Science and Master Of Education Degree, I have taught a range of courses from preschool to the university level. English Language Arts and Reading is my specialization and I love junior high kiddos, so having the opportunity to teach 7th and 8th graders at White Horse Christian Academy is such a blessing.

My husband, Judd, and I recently celebrated our 34th wedding anniversary. We have two children. Austin is 26 years old and Morgan is 25. Both are TSU graduates, as well. We have 2 fur babies, Diesel and Honey. Aside from our "real" jobs, we raise registered Santa Gertrudis cattle on our family ranch, The 17 Bar. I am a proud "mommy" to Daisy, a heifer that we bottle raised.

I am also the primary caretaker for my mother, Anna. She lives at Laurel Glen Assisted Living. This year, I look forward to taking my students to that facility to interact not only with her, but all of the other gems of previous generations.

My hobbies include hiking, fishing, hunting, and of course.....reading!

My passion is instilling a love of literacy in my students.

My goals are to make the world a better place one kind act at a time and help grow good humans.
