*"Then I saw heaven opened, and a white horse was standing there.
Its rider was named Faithful and True,..." - Revelation 19:11 NLT*

WHCA has designed two different programs to meet the students' needs. For students who thrive with face to face classes we provide an on campus program where the students receive direct instruction from highly qualified teachers. On campus instruction is provided Monday-Thursday in a traditional school year.

For those students who cannot attend on campus instruction, we provide a distant learning program(grades 5-12). We utilize a web based program called Ignitia for our distant learners. The distant learning program is most successful for highly motivated independent students.
